

Peirce Recess Summary

1. Peirce has 20 minute lunch/20 minute recess- longer than other elementary schools who get 15 minutes each
2. Many teachers offer breaks throughout the day and during times of transition (jumping jacks, running in place)
3. On non-gym days some teachers offer student outdoor recess. As each teacher has their own policy regarding recess on non-gym days, please check with your child's teacher on the policy for that classroom.
4. Peirce Student handbook will be updated to reflect its policy on recess times and will read as such:

The consistent practice at Peirce is that there is a daily lunch recess AND, on days that students do not have PE, teachers may offer additional recess time. Teachers in the earlier grades (K-2) often schedule this additional recess on the days with PE as well, but that is up to teacher discretion
